

COVID-19 RULES

RK LEISURE CORONAVIRUS RULES

We are able to open only because of the following rules. They are there to keep you safe. It is the responsibility of all members to ensure the rules are kept and they must be adhered to without exception.

Bailiffs reserve the right to suspend membership of any angler breaking them.

- A minimum of 2 metres must be kept between other anglers and bailiffs.
- All anglers are required to carry and use hand sanitiser and/or gloves. Members are advised to wear face masks.
- Your membership card must be visible during your time at an RK Leisure venue.
- Swims can be shared only if both anglers are members of RK Leisure and live at the same household. Otherwise members must fish solo.
- No sharing of fishing tackle or any other items.
- Anyone showing signs of Covid related illness, no matter how mild must stay away from the fishery. This includes if you share a household with any individual displaying symptoms.
- A distance of 15m must be maintained between swims. Do not fish swims that are less than 15m from another angler.
- Anyone in the high-risk category is recommended to not fish.
- The Lodge and showers will remain closed until further notice.
- Toilets will operate on a 'one in one out' policy.
- Guests are not permitted, including children.

Please use your common sense and ensure yours and other members safety.

These rules will be reviewed regularly and are subject to change without notice.

Please check the RK Leisure website homepage www.rkleisure.com and/or RK Leisure Facebook page for ongoing updates.
